Fly a helicopter.

**3. If you won the lottery, what is the first thing you would do?**

Fly my family somewhere amazing for lunch to chat and take it all in and then disappear off on a motorbike adventure through Europe.

**4. If you have 30 minutes of free time, what do you like to do?**

Stretching, browsing inspiring things online or chatting to friends.

**5. If you could be any fictional character, who would you choose?**

Deadpool. A super hero type character who can regenerate his body, allowing the opportunity to try all manor of crazy things like wing suit flying.

**6. What is something you learned in the last week?**

How to repair a motorcycle carburettor as I'm trying to restore an old bike and learning the mechanics as I go along.

**7. What's your favourite indoor / outdoor activity?**

Indoor is probably eating deliciously unhealthy things! Outdoor has to be riding motorbikes in amazing landscapes.

**8. What chore do you absolutely hate doing?**

Absolutely hate? That's a strong expression! I don't feel like I absolutely hate any chores but most dislike putting away washing.

**9. If you could meet anyone, living or dead, who would you meet?**

Pramahansa Yogananda (if you're remotely interested in the relationship between science and spirituality and haven't read his autobiography, order a copy today)!

**10. Have you ever had something bad happen to you that you thought was bad but turned out to be for the best?**

Probably, but these quick fire quizzes are too much pressure to remember something like that.... next.

**11. What three traits define you?**

Calm, kind, quite boring.

**12. Do you have a claim to fame?**

No.

**13. What would you do (for a career) if you weren't doing this?**

Probably something to do with online marketing, definitely something self employed and entrepreneurial.

**14. What would you most like to tell yourself at age 13?**

Go for it! The hardest part is always taking the first step.

**15. What is your favourite thing about working at Durham House?**

Funny you should ask, I speak about it in my intro video - you can watch it in this newsletter.
